VARSHA JAIRAM

PRODUCT-FOCUSED SOFTWARE DEVELOPER

Pune, Maharashtra • varsha.98948@gmail.com • github.com/Varsha-98948 • varshajairam.vercel.app

PROFESSIONAL SUMMARY

Product-minded developer who enjoys transforming ideas into polished software products. Interested in full-stack development and building intuitive, scalable applications through thoughtful engineering, clean design, and continuous learning.

TECHNICAL SKILLS

- **Languages:** Java • JavaScript • Python • C • C++
- **Frontend Technologies:** HTML • CSS • Bootstrap • Responsive Web Design
- **Backend Technologies:** Firebase • Supabase
- **Databases:** PostgreSQL • SQL
- **Developer Tools:** Git • GitHub • VS Code • Android Studio • AI-Assisted Development Tools
- **Deployment:** GitHub Pages • Render • Vercel

FEATURED PROJECTS

GreenGrid — Full-Stack DSA Progress Tracker

Java • PostgreSQL • GitHub OAuth • GitHub API

- Built a full-stack DSA progress tracker with secure GitHub OAuth authentication
- Integrated GitHub APIs and PostgreSQL to power coding analytics and progress insights
- Designed responsive dashboards featuring streak tracking and progress visualization

SyncZone — Campus Collaboration Platform

Java • XML • Firebase • Supabase

- Built a real-time collaboration app for students and faculty with chat, announcements, polls, and secure file sharing

LunaOps — Lunar Mission Simulation Platform

HTML • CSS • JavaScript • Three.js

- Built an interactive lunar mission planning and simulation platform with responsive rover navigation and telemetry visualization interfaces

GalliMart — Hyperlocal Marketplace Application

Java • XML • Firebase • Supabase • OSMdroid

- Developed a hyperlocal marketplace Android app with authentication, product listings, and order workflows and integrated Firebase and Supabase backends for real-time data management and modern Android UI

EXPERIENCE

CodeOpdia Technology — Web Development Intern

Academor — Artificial Intelligence Intern

RoboHawk — Problem Statement Team Member

Comp Club — Secretary

TEDx — Volunteer

EDUCATION

B.E. IN COMPUTER ENGINEERING — 2025 – Present

Pimpri Chinchwad College of Engineering and Research | 9.14 CGPA

DIPLOMA IN COMPUTER ENGINEERING — 2022 – 2025

Y.B. Patil Polytechnic | 93.33%

MATRICULATE — 2022

Indira National School | 86.4%
